A festive season built on Cali-Baja flavour, not corporate cliché.

HitchHike is TRIBE Den Haag Centraal's Cali-Baja restaurant and cocktail bar. A space that doesn't feel like every other Christmas party, with bold flavours and warm hospitality. This festive season we've built five ways to bring your team, clients or partners together, all dressed in our own Día de los Muertos-meets-Cali-Christmas styling rather than tinsel and snowmen.

THREE SPACES

HitchHike restaurant & bar, private event spaces*, and our upper terrace.
